What would you like your sponsorship message to say? If you want to write your own 30 second script, please do.

Alternatively, we are happy to help you craft your message. Simply let us know what specific details you would like included, and we will work with you to create a message.

You can choose to voice your own message or have one of our presenters record it for you.

Please email this completed form, and your script/ideas for your message to Susan Burke:
